

We endeavour to manage our appointments system to avoid delays in appointment times and minimise loss of surgery time through cancellations and failed appointments.

Practice appointment system

- We try not to keep you waiting and to see you within 30 minutes of your appointment time. Where there is a delay, we will explain the reasons.
- Where the length of your appointment is longer than 30 minutes, we will remind you of the day and time of your appointment by text, email or phone (as preferred)
- We monitor our waiting times for (i) treatment and (ii) for booking appointments
- If we need to change or cancel an appointment, we will give you as much notice as possible, and explain the reasons
- We will let you know if there is a change in the dentist that you will see, and explain the reason for the change.

Communications

- We will be courteous, friendly and professional always
- We will respond promptly to telephone calls and never ask you to 'hold' without first finding out why you have called
- You will receive full information about our services and our policy for collecting fees, including the methods of payment that we accept
